Jabez Prayed that the Lord would Enlarge his Territory.

"Jabez (Jā'bez) called on the God of Israel, saying, Oh, that thou wouldest bless me indeed, and <u>enlarge my territory</u>, and that thine hand might be with me, and that thou would keep me from evil, that it may not grieve me! And God granted him that which he requested."

— I Chronicles 4: 10

Jabez Blanket Ministry
"Enlarging North Americans' Territory"

Jabez Blanket Ministry International

is an organization reaching out to help Orphaned Children who are merely existing in heart-rending conditions in Orphanages around the world.

These heartbroken Children, longing for parents but with no hope, bear the marks of loneliness and total desperation.

Established in 2002 in Ontario, Canada,
Jabez Blanket Ministry International
is a
Christian Ministry of Compassion,
working jointly with
established North American Mission Organizations.

The Ministry's Mission
is to provide love, warmth, comfort, joy and hope for
Orphaned Children who have absolutely nothing —
through beautiful, lovingly-handmade Blankets for comforting warmth,
endearing Teddy Bears for comforting hugs, and basic School Supplies for learning —
conveying to a despairing Orphaned Child,
"Someone really cares about me!"

"Compassion Put Into Action"

Meeting physical needs of these fatherless and motherless Children, who can't help themselves and endure lives of quiet desperation, opens the door for the gospel and the knowledge that

Jesus loves them with His unfailing love.

They brought young children to Him
that He should touch them
And He put His hands upon them, and blessed them.
— Mark 10: 13, 16

We can't put our hands directly on many Children of the world, but we can put a warm blanket around a few and bless them.
